**Commissioner for Patents**

For purpose of accelerating prosecution, examiner tried to contact the undersigned attorney, Robin C. Clark (Registration No. 40,956), On December 24, 2007 for discussing about a proposed amendment, however the undersigned was not available. Examiner proposes an amendment that incorporates the limitation of claim 9 into claim 1 and other independent claims. Such amendment would place the application in condition for allowance. A period for reply is set to 30 days from the mailing date of this communication.
